# Executive Summary

Banzai Productions is proud to present professional livestreaming services tailored for extreme sports, with a strong focus on sports and live events. We offer a cinematic, technically reliable livestream experience across Canada and the U.S., with full ownership of professional equipment and a decade of media expertise in the sport.

Our weekend package ranges from \$15,000-\$26,000, depending on services selected, including setup, crew, equipment, and deliverables such as highlight reels, commentary, and sponsorship activations.

## Company Overview

BANZAI PRODUCTIONS LIVESTREAM

- **Name:** Banzai Productions
